Acquisition Research Program Goals

1. **Position NPS as a recognized leader in defense acquisition research.**
2. **Establish NPS acquisition research as an integral part of policy-making for Department of Defense officials.**
3. **Create a stream of relevant information concerning the performance of DOD Acquisition policies with viable recommendations for continuous process improvement.**
4. **Prepare the DOD workforce to participate in the continued evolution of the defense acquisition process.**
5. **Collaborate with other universities, think tanks, industry and government in acquisition research.**
